

PBI	Task Group	Task	Estimated Minutes	Assigned Person	To Do	In Progress	Done							
BUG: Multiple Audit Logs Same Second	Unit Testing	Write Unit Tests for Multiple Audit Logs in the Same Second	30	Connell			X		Time through OPL Multiple Files					
BUG: Multiple Audit Logs Same Second	Unit Testing	Run unit tests	10	Khalid			X		1360					
BUG: Multiple Audit Logs Same Second	Unit Testing	Write unit test logs	30	Khalid			X		Time after					
BUG: Multiple Audit Logs Same Second	Design/Implementation	Write alternate method for naming audit files to avoid conflict	60	Grant			X		1380					
BUG: Multiple Audit Logs Same Second	Documentation	Update documentation	20	Grant			X							
BUG: Multiple Audit Logs Same Second	System/Integration Testing	Run tests for OPL and CPL audit log generation	10	Mike			X		Total Estimated Minutes	2740				
BUG: Multiple Audit Logs Same Second	System/Integration Testing	Update test logs for OPL and CPL audit log tests	30	Mike			X		To Do Minutes	740				
BUG: Multiple Elections Same Run	Unit Testing	Write Unit Tests for multiple elections ran 'at the same time'	45	Connell			X		In Progress Minutes	80				
BUG: Multiple Elections Same Run	Unit Testing	Run Unit Tests	40	Mike			X		Done Minutes	1920				
BUG: Multiple Elections Same Run	Unit Testing	Write Unit Test logs	30	Mike			X							
BUG: Multiple Elections Same Run	Design	Understand memory leak occurring when OPL is ran first	35	Grant			X							
BUG: Multiple Elections Same Run	Documentation	Update documentation	20	Grant			X							
BUG: See Results of an OPL Election Tie in Audit	Implementation	Adjust audit log to show the results of OPL candidate tie in the audit log - see UML	30	Connell			X							
BUG: See Results of an OPL Election Tie in Audit	Unit Testing	Write test to see if audit log shows the results of OPL candidate tie in the audit log	30	Grant			X							
BUG: See Results of an OPL Election Tie in Audit	Unit Testing	Make unit test log	30	Grant			X							
BUG: See Results of an OPL Election Tie in Audit	Unit Testing	Run unit tests	30	Grant			X							
BUG: See Results of an OPL Election Tie in Audit	Documentation	Update Documentation	10	Connell			X							
BUG: Extra Commas In Output Array for Tie	Implementation	Adjust audit log to not print a comma after the last element in an array	30	Connell			X							
BUG: Extra Commas In Output Array for Tie	Unit Testing	Visual test - see if there is a comma at the end of the tie-breaker array in audit log (CPL	30	Mike			X							
BUG: Extra Commas In Output Array for Tie	Unit Testing	Make unit test log	30	Mike			X							
BUG: Extra Commas In Output Array for Tie	Unit Testing	Run unit test	30	Mike			X							
CPL Multiple Files	Implementation	Update code to reflect new design for Single File - validate	30	Grant			X							
CPL Multiple Files	Implementation	Update parser/strategy code to accomodate multiple files	45	Grant			X							
CPL Multiple Files	Design	Writing of Refactored ElectionDataParser Design	60	All			X							
CPL Multiple Files	Implementation	Write Code for 'Main' Multiple File Input	50	Connell			X							
CPL Multiple Files	Documentation	Documentation for Refactored ElectionDataParser	35	Khalid			X							
CPL Multiple Files	Unit Testing	Clean up ElectionDataParser,OPL.ElectionData,ElectionData,CPL.ElectionData unit tests	60	Connell			X							
CPL Multiple Files	Unit Testing	Writing Unit Tests for ElectionDataParser for CPL	60	Connell			X							
CPL Multiple Files	Unit Testing	Running of Unit Tests for ElectionDataParser for CPL	40	Connell			X							
CPL Multiple Files	Unit Testing	Writing Test Logs for ElectionDataParser for CPL	30	Connell			X							
CPL Multiple Files	System/Integration Testing	Write Testfiles for CPL Multiple Files	30	Connell			X							
CPL Multiple Files	System/Integration Testing	Running of System/Integration Tests	40	Connell			X							
CPL Multiple Files	System/Integration Testing	Writing System/Integration Test Logs	30	Connell			X							
OPL Multiple Files	Implementation	Extend code to cover OPL case	45	Grant			X							
OPL Multiple Files	Documentation	Update documentation	20	Khalid			X							
OPL Multiple Files	Unit Testing	Writing Unit Tests for ElectionDataParser for OPL	40	Grant			X							
OPL Multiple Files	Unit Testing	Running of Unit Tests for ElectionDataParser for OPL	25	Grant			X							
OPL Multiple Files	Unit Testing	Writing Test Logs for ElectionDataParser for OPL	20	Grant			X							
OPL Multiple Files	System/Integration Testing	Write Testfiles for OPL Multiple Files	45	Grant			X							
OPL Multiple Files	System/Integration Testing	Running of System/Integration Tests	25	Grant			X							
OPL Multiple Files	System/Integration Testing	Writing System/Integration Test Logs	20	Grant			X							
MPO files (in general)	Design	Create MPO Strategy, add to ElectionDataParser	35	Mike			X							
MPO files (in general)	Implementation	Write code for new ElectionParser strategy, MPOParty, MPOCandidate, MPOElectionData	35	Mike			X							
MPO files (in general)	Implementation	Update main & ElectionDataParser to accomodate MPO	10	Grant			X							
MPO files (in general)	Documentation	Update documentation - MPOstrat, MPOParty,MPOCandidate	15	Grant			X							
MPO files (in general)	Unit Testing	Writing Unit Tests for ElectionDataParser for MPO	60	Connell			X							
MPO files (in general)	Unit Testing	Running of Unit Tests for ElectionDataParser for an MPO file	30	Khalid			X							
MPO files (in general)	Unit Testing	Writing Unit Test Logs for ElectionDataParser for an MPO file	30	Khalid			X							
MPO files (in general)	System/Integration Testing	Write Testfiles for an MPO file	40	Connell			X							
MPO files (in general)	System/Integration Testing	Running of System/Integration Tests	30	Khalid			X							
MPO files (in general)	System/Integration Testing	Writing System/Integration Test Logs	30	Khalid			X							
MPO Multiple Files	Implementation	Extend code to cover MPO multiple files case	20	Mike			X							
MPO Multiple Files	Documentation	Update Documentation	10	Grant			X							
MPO Multiple Files	Unit Testing	Writing Unit Tests for ElectionDataParser for MPO	40	Connell			X							
MPO Multiple Files	Unit Testing	Running of Unit Tests for ElectionDataParser for MPO	10	Grant			X							
MPO Multiple Files	Unit Testing	Writing Test Logs for ElectionDataParser for MPO	30	Grant			X							
MPO Multiple Files	System/Integration Testing	Write Testfiles for MPO Multiple Files	30	Connell			X							
MPO Multiple Files	System/Integration Testing	Running of System/Integration Tests	10	Grant			X							
MPO Multiple Files	System/Integration Testing	Writing System/Integration Test Logs	30	Grant			X							
MPO Election	Design	Design MPOElection class	30	All			X							
MPO Election	Implementation	Write code for MPOElection class	30	Grant				X						
MPO Election	Documentation	Documentation for MPOElection class	40	Mike	X									
MPO Election	Unit Testing	Write Unit Tests for MPOElection class	50	Connell		X								
MPO Election	Unit Testing	Run unit tests	40	Mike	X									
MPO Election	Unit Testing	Write Unit Test logs	30	Mike	X									
MPO Election	System/Integration Testing	Write Testfiles for MPOElections - see CPL/OPL election variants for guidance	35	Connell				X						
MPO Election	System/Integration Testing	Running of System/Integration Tests	30	Khalid	X									
MPO Election	System/Integration Testing	Writing System/Integration Test Logs	15	Khalid	X									
MV Files (In General)	Design	Create MV Strategy, add to ElectionDataParser	35		X									
MV Files (In General)	Implementation	Write code for new ElectionParser strategy, MVParty, MVCandidate	35		X									
MV Files (In General)	Implementation	Update main to accomodate MV	10		X									
MV Files (In General)	Unit Testing	Writing Unit Tests for ElectionDataParser for MV	60		X									
MV Files (In General)	Unit Testing	Running of Unit Tests for ElectionDataParser for an MV file	30		X									
MV Files (In General)	Unit Testing	Writing Unit Test Logs for ElectionDataParser for an MV file	30		X
