

PBI	Task Group	Task	Estimated Minutes	Assigned Person	To Do	In Progress	Done
BUG: Multiple Audit Logs Same Second	Unit Testing	Write Unit Tests for Multiple Audit Logs in the Same Second	30		X		
BUG: Multiple Audit Logs Same Second	Unit Testing	Run unit tests	10		X		
BUG: Multiple Audit Logs Same Second	Unit Testing	Write unit test logs	30		X		
BUG: Multiple Audit Logs Same Second	Design/Implementation	Write alternate method for naming audit files to avoid conflict	60		X		
BUG: Multiple Audit Logs Same Second	Documentation	Update documentation	20		X		
BUG: Multiple Audit Logs Same Second	System/Integration Testing	Run tests for OPL and CPL audit log generation	10		X		
BUG: Multiple Audit Logs Same Second	System/Integration Testing	Update test logs for OPL and CPL audit log tests	30		X		
BUG: Multiple Elections Same Run	Unit Testing	Write Unit Tests for multiple elections ran 'at the same time'	45		X		
BUG: Multiple Elections Same Run	Unit Testing	Run Unit Tests	40		X		
BUG: Multiple Elections Same Run	Unit Testing	Write Unit Test logs	30		X		
BUG: Multiple Elections Same Run	Design	Figure out how to get differing filename's within the same second	35		X		
BUG: Multiple Elections Same Run	Documentation	Update documentation	20		X		
BUG: Multiple Elections Same Run	Implementation	Write code to update file naming scheme	20		X		
BUG: Multiple Elections Same Run	System/Integration Testing	Write testfiles for multiple elections that can be ran within the same second	40		X		
BUG: Multiple Elections Same Run	System/Integration Testing	Running of System/Integration Tests	40		X		
BUG: Multiple Elections Same Run	System/Integration Testing	Writing System/Integration Test Logs	30		X		
BUG: See Results of an OPL Election Tie in Audit	Implementation	Adjust audit log to show the results of OPL candidate tie in the audit log	30		X		
BUG: See Results of an OPL Election Tie in Audit	Unit Testing	Write test to see if audit log shows the results of OPL candidate tie in the audit log	30		X		
BUG: See Results of an OPL Election Tie in Audit	Unit Testing	Make unit test log	30		X		
BUG: See Results of an OPL Election Tie in Audit	Unit Testing	Run unit tests	30		X		
BUG: Extra Commas In Output Array for Tie	Implementation	Adjust audit log to not print a comma after the last element in an array	30		X		
BUG: Extra Commas In Output Array for Tie	Unit Testing	Write test to see if there is an audit log on the end of the tie-breaker array	30		X		
BUG: Extra Commas In Output Array for Tie	Unit Testing	Make unit test log	30		X		
BUG: Extra Commas In Output Array for Tie	Unit Testing	Run unit test	30		X		
CPL Multiple Files	Design	Write Stubs for .hpp and .cpp files based on new design	45		X		
CPL Multiple Files	Implementation	Writing of Refactored ElectionDataParser Design	60		X		
CPL Multiple Files	Implementation	Write Code for 'Main' Multiple File Input	50		X		
CPL Multiple Files	Documentation	Documentation for Refactored ElectionDataParser	35		X		
CPL Multiple Files	Unit Testing	Writing Unit Tests for ElectionDataParser for CPL	60		X		
CPL Multiple Files	Unit Testing	Running of Unit Tests for ElectionDataParser for CPL	40		X		
CPL Multiple Files	System/Integration Testing	Writing Test Logs for ElectionDataParser for CPL	30		X		
CPL Multiple Files	System/Integration Testing	Write Testfiles for CPL Multiple Files	30		X		
CPL Multiple Files	System/Integration Testing	Running of System/Integration Tests	40		X		
CPL Multiple Files	System/Integration Testing	Writing System/Integration Test Logs	30		X		
OPL Multiple Files	Implementation	Extend code to cover OPL case	45		X		
OPL Multiple Files	Documentation	Update documentation	20		X		
OPL Multiple Files	Unit Testing	Writing Unit Tests for ElectionDataParser for OPL	40		X		
OPL Multiple Files	Unit Testing	Running of Unit Tests for ElectionDataParser for OPL	25		X		
OPL Multiple Files	Unit Testing	Writing Test Logs for ElectionDataParser for OPL	20		X		
OPL Multiple Files	System/Integration Testing	Write Testfiles for OPL Multiple Files	45		X		
OPL Multiple Files	System/Integration Testing	Running of System/Integration Tests	25		X		
OPL Multiple Files	System/Integration Testing	Writing System/Integration Test Logs	20		X		
MPO files (in general)	Design	Create MPO Strategy, add to ElectionDataParser	35		X		
MPO files (in general)	Implementation	Write code for new ElectionParser strategy, MPOParty, MPOCandidate	35		X		
MPO files (in general)	Implementation	Update main to accomodate MPO	10		X		
MPO files (in general)	Unit Testing	Writing Unit Tests for ElectionDataParser for MPO	60		X		
MPO files (in general)	Unit Testing	Running of Unit Tests for ElectionDataParser for an MPO file	30		X		
MPO files (in general)	Unit Testing	Writing Unit Test Logs for ElectionDataParser for an MPO file	30		X		
MPO files (in general)	System/Integration Testing	Write Testfiles for an MPO file	40		X
